

MERCHANTS METALS

Non-Prorated Limited Warranty

Who and What are Covered by this Warranty

Merchants Metals warrants to the original purchaser/homeowner that its vinyl fence, deck and railing products will be free from manufacturing defects - including peeling, flaking, blistering, rotting and corroding - when subject to normal and proper use.

This warranty is for the lifetime of the original purchaser (and as long as the original purchaser is still living and retains ownership of the property), for all vinyl fences, deck and railing products. Should any defect occur during the warranty period, Merchants Metals will repair or replace, at its option, the defective fence, deck or railing products. In lieu of repair or replacement, Merchants Metals also reserves the right to refund the amount paid by the original owner for the Merchants Metals fence, deck or railing product and such refund shall full discharge all obligations and liabilities of Merchants Metals under this warranty.

In no event shall Merchants Metals be liable or responsible for labor charges or other expenses arising from or pertaining to the removal or installation of either the original or replacement product.

Should Merchants Metals repair or replace a defective product under the terms of this warranty, the original warranty shall apply to the repaired or replaced fence, deck or railing product, and will extend for the balance of the warranty period in effect at the time the material proved defective.

This warranty automatically terminates upon the sale of the property or death of the last of the individuals that owned the property at the time of installation.

The lifetime coverage offered by this warranty for Merchants Metals products is applicable only to single family residences. In the case of fence, deck or railing product material that is installed upon any other type of building or premises, the warranty period will be 30 years following the installation of the fence, deck or railing.

Warranty Limitations

This warranty does not apply to or provide protection against any failure, defect or damage resulting from events or conditions that are beyond normal exposure or customary usage, including, but not limited to: • misuses, abuse, neglect or improper handling or storage; • improper installation; • Use of accessories or other products which do not properly receive and/or secure Merchants Metals's fence, deck and railing products; • impact of foreign objects, fire, earthquake, flood, lightning, hail, hurricane, tornado or other casualty or act of God; • movements, distortion, collapse or settling of the ground or structure on which the fence, deck or railing product is installed; • damage by horses or other large animals that may impact a fence in which they are enclosed; • discoloration or other damage caused by air pollution (including but not limited to metal oxides or metallic particles), mildew, exposure to harmful chemicals or normal weathering from the elements; or • any other cause not involving manufacturing defects in the material supplied by Merchants Metals; and

Normal weathering is defined as exposure to sunlight and extremes of weather and atmosphere, which will cause any colored surface to gradually fade, chalk, or accumulate dirt or stains. The severity of any condition depends on the geographical location of the fence, deck or railing products, the cleanliness of the air in the area, and many other influences over which Merchants Metals has no control. Merchants Metals shall have sole discretion to determine, based on reasonable criteria, whether the fence, deck or railing products is suffering from normal weathering.

This warranty does not apply to any fence, deck or railing product which has been painted, varnished or on which any other substance has been applied over the manufacturer's original finish.

The homeowner/purchaser acknowledges and agrees that Merchants Metals may, without notice to the homeowner/purchaser, discontinue or modify any of its products, including, without limitation, the style, size or color. Merchants Metals shall not be liable in the event replacement material varies from the original product. If Merchants Metals replaces any material under this warranty, it may substitute products designated by Merchants Metals to be of comparable quality or price range in the event the product initially installed has been discontinued or modified.

Transferability of the Warranty

This warranty is not transferable, with the exception of the following circumstances: This warranty may be transferred only by the original homeowner/purchaser and only on one occasion, upon compliance with the following requirements. Within thirty (30) days from the date of the transfer of the real property, the original homeowner/purchaser shall deliver to Merchants Metals (i) a written request for transfer of the warranty, (ii) proof of the original purchase of the Merchants Metals products, and (iii) a \$100 transfer fee payable to Merchants Metals. Failure to comply timely with each of the foregoing requirements will terminate this warranty and relieve Merchants Metals of any further obligation or liability under this warranty. Time is of the essence. During the first ten (10) years after the date of original installation of the products, a duly transferred warranty shall remain in full force and effect as to all products covered thereby. After such ten (10) year period, Merchants Metals' responsibility and liability under a duly transferred warranty shall decrease by five percent (5%) per year. At no time, however, shall Merchants Metals' responsibility under this warranty for fence, deck and railing products be less than 10 percent (10%) of the original homeowner/purchaser's original purchase price for the material.
